

Create your own mini museum!

Begin by thinking of a theme. This could be objects that you collect, things that make you happy, objects about your family history the possibilities are endless!

Then choose 4-6 objects. Write a label for each object stating what it is, the date of the object (if known) and why it is important.

Arrange your display and give it a title so visitors know what your museum is all about.

Our staff have made their own mini museums and we have shared them here – enjoy!
